

WALKING IN YOUR SPIRIT

(Refrain)

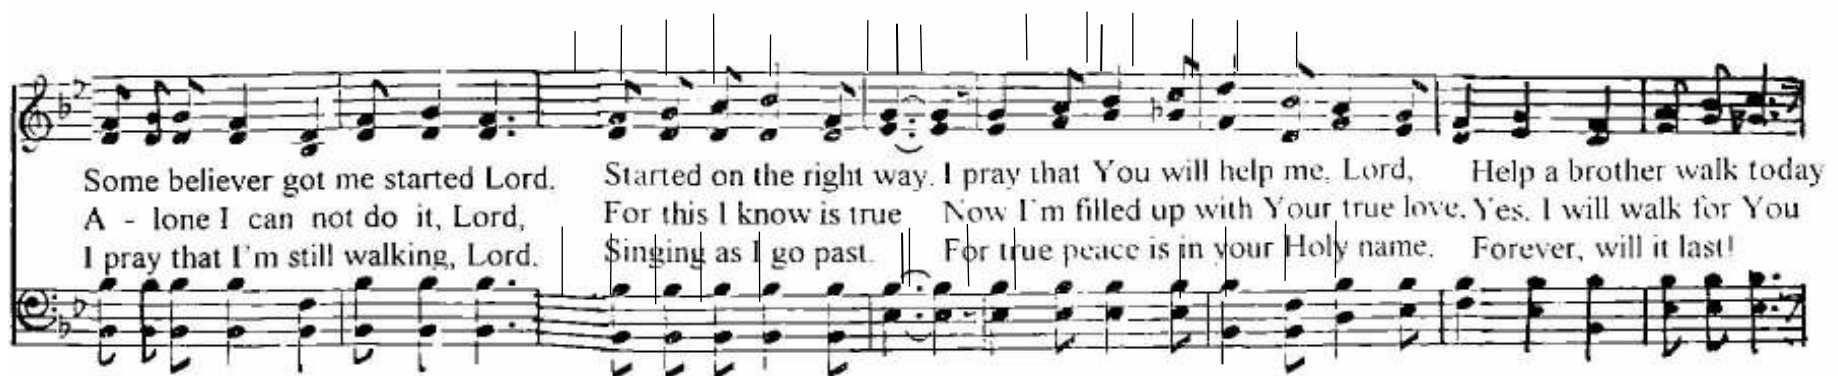

Gene White

Step by step I'm walk-ing, Lord, I'm walk-ing af-ter you. Walk-ing in your Spi-rit, Lord! I'm learn-ing what to do!

1. At first I was un-steady, Lord, You caught me when I fell. Now that I'm in Your Spir-it, Lord. This sto-ry I can tell.
2. Oh, what good is walk-ing, Lord, If no-thing do I say. I must go and tell Your sto-ry, Oh strengthen me I pray.
3. The day is fast approach-ing, Lord. When no more can be done. So, when that day is here, O - Lord, The victory will be won.

Some believer got me started Lord. Started on the right way. I pray that You will help me, Lord, Help a brother walk today
A - lone I can not do it, Lord, For this I know is true Now I'm filled up with Your true love, Yes, I will walk for You
I pray that I'm still walking, Lord. Singing as I go past. For true peace is in your Holy name. Forever, will it last!
