

Visual Learner's Version

The Small Catechism

*as developed and taught by Martin Luther,
including all three creeds*

Small Catechism Bonus package containing a PowerPoint Instructor files for teaching students that has exactly the same information in their workbook. The student workbook lies flat and is a separate file. Included on the CD is a file called *How Art Teaches Theology - Part I*, to aid in the discussion of the Word and Sacraments and can be used as a separate follow up presentation. Readme file included.

The presentation includes introductory history and classical art for context throughout. Embedded hyperlinks can be used to explore additional information on Reformation topics and places.

Ordering and Cost: The basic CD can be ordered by email from churchmatters@frontier.com for free plus \$15.00 S&H. Any additional title on the website can be included in your order for no additional cost. Offer expires Feb 2020 and these titles will no longer be available from this website.

See <http://churchmatterssolutions.org/education/> for additional information.
